

WTVI (TV), Charlotte, North Carolina  
Central Piedmont Community College  
Annual EEO Public File Report  
Reporting Period: July 22, 2025, through July 21, 2026

There were no full-time vacancies filled during the reporting year.

**Outreach Activities:**

- **Community Outreach and Public Engagement:** During the reporting period, WTVI/PBS Charlotte hosted **20 behind-the-scenes station tours** and participated in **five community outreach events**, engaging more than **1,000 community members**. These activities introduced participants to careers in public media and provided insight into television production, journalism, engineering, digital media, education, and station operations. Outreach opportunities included educational station tours, community screenings, live program recordings, and presentations by guest speakers and media professionals. These events were designed to increase public awareness of broadcasting careers, foster connections with students and community organizations, and encourage individuals from diverse backgrounds to explore employment opportunities in public media.

- **Internship & Career Development**

WTVI PBS Charlotte continued its commitment to developing the next generation of media professionals by providing meaningful internship opportunities to **five college students** during the reporting period. Interns represented a diverse group of institutions. One intern from **UNC Greensboro worked from 8/18 to 12/12/25. There were no winter interns. The remaining three interns worked with us from 5/18/26-7/14/26** One was **from University of North Carolina School of the Arts**, another was from **Barnard College of Columbia University** and the final inter was from **UNC Chapel Hill**. Each received hand-on experience working alongside industry professionals. All gained practical skills in production, journalism, digital media and social media.

- **Annual required training** of all personnel as to methods of ensuring equal employment opportunity and preventing discrimination. All trainings were completed by July 1, 2026.
